Other services	10990 \$8.80	10991 \$13.35	75855 \$14.10	75856 \$15.10	75857 \$15.85	75858 \$16.95

Check your practice's area on the [Health Workforce Locator](#).

Fees are schedule fees. Medicare pays 100% of the schedule fee for a GP's consultation outside hospital, and 85% for most other services outside hospital (**MBS note GN.10.26**). * For one patient seen at the one place. With more patients there, each one's fee is less, worked out from the number seen (**MBS note AN.0.11**).
