- **Referrals:** to a specialist or consultant physician, valid for 12 months from the first service. A referral to allied health doesn't attract a Medicare benefit (MN.14.15).
- **Requesting tests:** pathology in Groups P1 to P8 and items 73826 to 73837, and certain diagnostic imaging, within your scope of practice (MN.14.16).
- **GP items aren't yours:** care plans (965) and health assessments (701) are for a general practitioner, as their wording says.
